

In Memory of
RANDI NEUMEYER
PAUL PETERSEN

We lost two incredible men due to cancer within a span of two years - Randi Neumeyer on November 7, 2002, to melanoma cancer; and Paul Petersen on January 12, 2004, to lung cancer. They each faced their disease with courage and dignity.

Randi and Paul were very unique individuals. One conversation with either of them and they became a friend for life, whether you saw them often or only on occasion. They widened our circle of friends by bringing together their families, childhood friends from Iowa and colleagues from work. For that we will be eternally grateful.

One of Randi's & Paul's favorite pastimes was golf. While they were serious about their games, they were never so serious that they didn't have fun. On July 16, 2011, we will again celebrate the lives of Randi and Paul at the 10TH ANNUAL NEUMY GOLF OUTING. In doing so, we have the opportunity to gather with friends we met through Randi and Paul as well as make new friends.

In honor of Randi and Paul, we will be raising money for HospiceCare, inc. The compassion, care and quality of life provided to patients at the end of their lives by the hospice personnel are absolutely incredible. The same compassion and care is extended to family and friends of the patients as well. They are most deserving of any support we can provide.
